I like the book and it was just what I wanted. Paired with smart-looking photographs, this is a handsome exploration of a precious commodity and the hundreds of ways to enjoy it. There is a book out there somewhere that comes from a specialized coffee product distributor that tells how to roast and mix a few different beans to get the starbucks flavor and I am researching in that direction.

The New Complete Coffee Book : A Gourmet Guide to Buying, Brewing, and Cooking by Sara Perry (2003, Trade Paperback) for sale online

I was interested in coffees and the ways to mix the roasted bean flavors. Additional sections cover history, lore, and paraphernalia, international ceremonies and methods of preparation, and tips for selecting teas.
