## The need for roots: prelude to a declaration of duties towards mankind

She had been commissioned by General de Gaulle, head of the Free French forces, to write a report on the duties and privileges of the French after the liberation. In this, her most famous book, Weil reflects on the importance of religious and political social structures in the life of the individual. Its purpose was to help rebuild France after the war.

## The Need for Roots: Prelude to a Declaration of Duties Towards Mankind (Routledge Classics)

Its purpose was to help rebuild France after the war. She wrote that one of the basic obligations we have as human beings is to not let another suffer from hunger. Although the contradictions are many, and the reality of the described needs not always obvious, set forth by Weil these assume a tranquility that can only come from scientific precision and a truth that must be absolute.

## The Need for Roots: Prelude to a... book by Simone Weil

She wrote that one of the basic obligations we have as human beings is to not let another suffer from hunger. One need not be religious at all to identify with the type of religiosity expressed in this book.
