Using historically informed archaeology: Seventeenth and eighteenth century Hueda/European interaction on the coast of Bénin

Legends and images are not found together in other coins. We are dealing with a community of hard workers who faced hard conditions of life, not having the best resources available to sustain themselves.

The Different Schools of Historiography: A Reference

See also volume 2 ; in this volume ; and. Individuals buried in this kind of graves are usually accompanied by decorated beakers. The clash, though, is not always reported by historical written sources in such explicit terms as is by the Codex Theodosianus on Sardinia.

An Archaeology of the Subalterns' Disaggregated History: Interpreting Burial Manipulations of Roman

I finally thank the three blind peer reviewers who, with their truly useful comments, helped me refine the arguments discussed in this paper and made me think further on the multiple directions towards which this research can be developed. A corollary of this was a broadening of the chronological and methodological approach to historical research.

It was effectively refounded in 1944 as *Annales: histoires, sociétés, civilizations* and, since 1994 has been titled *Annales: histoire, sciences sociales*. The Comitium in Rome from the beginning. Adalbert from Poles in order to gain the right for their own episcopate.

How useful is the study of archaeology in contributing to our understanding of the past?

Archaeological evidence from recent excavations at the site of Savi, capital of the Hueda kingdom, is contrasted with documentary evidence, facilitating an interpretation of motivations guiding Hueda interaction with European traders and structuring their spatial relationship.

How useful is the study of archaeology in contributing to our understanding of the past?

For this reason, for this specific case study, I deemed it necessary to integrate other sources that hinted at the evidence of separation in fourth

century Sardinia.
