Isaac D'Israeli's Literary Works

That the Monks had not in high veneration the profane authors, appears by a facetious anecdote. The novelty and the boldness of

his style carried the million with him. Hayter was the classic antiquary who first discovered the art of unrolling the MSS.

But if there could be any doubt of the success of this new hand, it was quickly removed by the conduct of Peter Pindar himself. The contemporary and the antagonist of Bayle was Le Clerc.

Isaac Disraeli (Disraeli, Isaac, 1766

Religion became what is called the study of Theology; and they all attempted to reduce the worship of God into a system! But the tale would not be singular even were it true: it perfectly suits the character of a bigot, a barbarian, and a blockhead. They distinguished universals, or what we call abstract terms, by the genera and species rerum; and they never could decide whether these were substances—or names! On this Abdoolah observed, that those of his country and faith had nothing to do with any other book than the Koran; and all Persian MSS. The daily view of them animated his mind to compose their eulogiums.

The Literary Character Or The History Of Men Of Genius Drawn From Thei

To this ambition, perhaps, we owe the Frogs of Homer; the Gnat and the Bees of Virgil; the Butterfly of Spenser; the Shadow of Wowerus; and the Quincunx of Browne.
