Press Kits: Charters of Freedom Re

The inaugural Detroit Black Film Festival is excited to showcase the voices and stories of Black independent filmmakers. Also in the museum is an interactive exhibit called And Still We Rise: Our Journey through African American History and Culture, seven exhibition areas devoted to African Americans and their lives, the Louise Lovett Wright Research Library, and the General Motors Theater, which is a 317-seat facility for film, live performances, lectures, and presentations.

After careful consideration, the NARA preservation staff concluded that the glass should not come into direct contact with the documents and that the documents should not be displayed and stored vertically. In 1992, Detroit voters authorized the City of Detroit to sell construction bonds to finance a larger building, and ground was broken for the third generation of the Museum in August 1993. The museum will celebrate the day with performances, service and workshops to honor the legacy of Dr.
