The concept of an impartial, objective group — separate from the sponsor and project director — giving input to the operation of Senior Corps programs has been integral to Foster Grandparents, RSVP, and Senior Companion programs. NEPA was signed into law in 1970 and requires federal agencies to assess whether a major federal action has the potential to significantly affect the human environment prior to making decisions.

### Integrating NEPA and Section 106

A voice and a vote: The advisory board experiences of Spanish-speaking Latina mothers.

### City Council Members

NEPA established the President's Council on Environmental Quality to oversee NEPA implementation. The EAC Network, managed by WeConservePA, helps environmental advisory council volunteers help one another. The Functions of Churchwardens 9.

### Advisory Councils: Nine Keys to Success

Intensity refers to the severity of effect, which includes factors such as the magnitude, geographic extent, duration, and frequency of the effect. Using the NEPA process, agencies evaluate the environmental and related social and economic effects of their proposed actions. .
