Love, 2001:583 This film may appear far-fetched at this point in time, but roboticist Hans Moravec 1999 contends that by 2050 robot brains will begin to rival human intelligence. As popular fiction respectively, science fiction and techno-thriller, these novels are set apart in their production, circulation and reception from what is commonly known as literary fiction. Among the most influential history-of-science studies ever written.

Themes : Scientists : SFE : Science Fiction Encyclopedia

He — and it is always he — is the absent-minded professor, as played by Jerry Lewis. Amsterdam: Harwood Academic Publishers, 1999. I

recount my reassessment in a on my blog.
