## Leisure and well

The journal has published articles that describe aspects of evolving economic system, economic problems, economic policy, and methodology. This higher knowledge of what is is what limits economics, politics, and art to their own proper spheres of reality.

## Definitions of leisure, play, and recreation

Leisure, life, enjoyment and well-being. Yet the ways in which we conceptualise work, leisure and well-being are in flux, reflecting, in part, the changing societal, economic and community contexts in which work and leisure take place.

## Work

Regularly set aside time for activities that you enjoy, such as practicing yoga, gardening or reading. Caring for yourself A healthy lifestyle is essential to coping with stress and to achieving work-life balance. American Psychologist, 45 4 , 489—493.

## Questia

No human enterprise is more important, or more neglected, than these endeavors. Creativity in digital fine art. It is first of all a celebration of what is given to us.
