Over the next three years, McQueen was content chiefly to sleep, eat, ride his bike, have sex with girls and take drugs. There are all kinds of biographies about Steve McQueen and they mention Dr.

Gentleman of Style: Steve McQueen — Gentleman's Gazette

At age 16, McQueen left Chino, traveling first to New York City and then across the country, working various jobs as a merchant marine, a lumberjack, a trinket salesman in a carnival, and an oil rigger. He was still smoking, still drinking, but he pleaded and Kelley was a very compassionate guy. Among Steve McQueen's many passions was his desire to give back to the community.

This Is What Made Steve McQueen So Damn Cool

He started getting sick in 1978-1979 and went to his fancy Los Angeles doctors and they kind of blew it off.

Terry Leslie McQueen dies at 38

Then he wanted to make love, after which he passed out on the bed. Made by movie fans, for movie fans. No way was he going to allow his young wife to resume her career, even if she was the hottest female star in Hollywood.

Steve McQueen (1930

Professionally, he was usually a nightmare to work with, throwing tantrums about everything from the cut of a pair of jeans to the billing of another actor.

Steve McQueen: Man On The Edge (Narrated by James Coburn)

It is true, it is a fact, cancer is curable. He would wear them with anything from a plain white t-shirt to a cardigan and blazer. His Hollywood career began with bit parts in westerns and eventually led to his being the most famous and highest paid actor of his time.
