Конец медвежьей страны — Журнальный зал

It is impossible to say of Santillana that he was an original genius: it is within bounds to class him as a highly gifted versifier with extraordinary imitative powers.

Perceptions of literary opinion in Don Quijote de la Mancha

She knows it of course when it happens. His two famous works, Teatro crítico universal 1726-1739 and Cartas eruditas y curiosas, are multi-volume collections of essays that cover a range of subjects, from education, law, and medicine, to superstitions and popular beliefs. The conceit of ignorance is a thing eternal.

Paradise and storytelling: interconnecting gender, motif, and narrative structure.

This confused philosophic story, suggestive of the legend of Barlaam and Josaphat, is in truth the vehicle for conveying the author's ideas on every sort of question, and it might be described without injustice as the carefully revised commonplace book of an omnivorous reader with a care for form. These impulses intensified after the death of the conservative King Ferdinand VII in 1833. His diction is correct and his verse smooth, but the suggestion that he belonged to the age of Augustus has not met with much favour among those competent to judge.

Libros sobre Miguel de Cervantes

Baïf, Jean-Antoine de 1532—1589 French poet and most learned member of the Pléiade Born in Venice, the natural son of the humanist Lazare de Baïf c. There was little uniformity of symbolism, and notation was cumbersome and unhelpful. Secular architecture gave Renaissance architects far more scope in the use of antique vocabulary.

Un antropólogo estadounidense y una herenciana doctora en Literatura Comparada acuden a los almuerzos de la Sociedad Cervantina de Alcázar

Sabine Ivanovas sees no reason to doubt that many of the practices she observes today are unchanged in over a thousand years of Mediterranean shepherding. MULINACCI, Roberto, Do palimpsesto ao texto.

FLUP

Like the archaic dialect, this homely measure tends to bring Spenser's shepherds closer to their actual English brethren. The former, imported from Italy, oozed nostalgia for an Arcadian golden age; its shepherds were courtiers and poets who, like the knights-errant of chivalric romance, turned their backs on reality. Masson makes no mention of it in his edition of Milton's poetical works.
