Page edges are lightly smudged and darkened, with some foxing on the top edges.

Carl Jung: Metaphysical assertions are statements of the psyche, and are therefore psychological.

So, in their zeal to investigate those newly opened vistas, they projected their fantasies and dream images into matter.

The Collected Works of C. G. Jung

The series contains revised versions of works previously published, works not previously translated, and new translations of many of Jung's writings. Nos hallamos, por tanto, ante la obra fundamental del psiquiatra suizo, que corona así su indagación sobre la psique humana con una erudita investigación de la alquimia. Minor markings on text block edge, and on front cover.
