Senate, Debates, 28 November 1974 :: Historic Hansard

We know that Mr Daly is well-known for his sense of humour and is good company, and he is no doubt given to making interesting jocular remarks at times. The A6 is a major thoroughfare that provides a link with the Northern and Western suburbs to the centre of the Western suburbs — Bankstown and the princes highway at Heathcote, via LIDCOMBE and Bankstown.

Senate, Debates, 28 November 1974 :: Historic Hansard

Of course, there is a disparity when one makes a comparison with population. If we are going to have a debate the call will go to the other side. No obstante, nuestro objetivo es que nuestros estudiantes y el personal regresen a las escuelas lo antes posible, siempre que nuestras escuelas sean seguras para los niños y el personal.

Central Point School District #6

I ask him: Does this mean that the Australian Government will give money to the States for road construction only on the condition that none is spent on inner-suburban freeways? Certainly the Leader of the House made no submissions or agreements in this regard. Since it took office in December 1972, the Government has liberalised and extended the scope of the scheme and it can look with pride on what it has done to provide homes for service and ex-service personnel under the scheme. It must, therefore, be agreed that full and adequate time has been given for discussion to this limited 4-clause legislation.

10 Most Dangerous Sydney Suburbs

Senator Webster: — Do you not find, though, that in so many things ideas which originally sound good can become disastrous? In addition, Australian Government and State government officers in a number of States have had extensive discussions about the possibility and modalities of a transfer of functions and officers.

GLCSD

Mr GILES: Angus — I wish to make a personal explanation. The Minister for Defence has already invited Mr Bonnett and the Opposition parties to make suggestions in relation to this proposal.

Crop Weather Survey

The Australian Broadcasting Control Board and the Post Office have been working very closely with the Music Broadcasting Societies of New South Wales and Victoria. It is important that there be an adequate discussion of this issue in this House. There are other points about this indenture which are also defective.

Village Community Development Districts

Senator MAUNSELL: — Yes, those 2 matters I mentioned.
