## The Legislative Process

It is comprised of the Supreme Court and other federal courts.

## The Legislative Branch

Initially, both the House and Senate elected committee members, except that the House from the beginning allowed the Speaker to appoint committees with three or fewer members. States that are entitled to more than one Representative are divided into single-member districts.

## United States Congress

Historically, the Senate has disputed the interpretation advocated by the House.

## The Basic Structure of the U.S. Federal Government

A state governor or local mayor may declare a state of emergency within his or her jurisdiction. The committee studies each bill intensely at this stage.

## Article III

The Supreme Court has held that Congress has implied powers through the.

## Structure of the United States Congress

The heads of these 15 agencies are also members of the president's cabinet. Operating without a general grant of power from the states proved

difficult for the delegates and demonstrated the need for a more permanent arrangement.
