Financial Contracts Examples: Everything You Need to Know

The ombudsman must review complaints from contractors and ensure they are afforded a fair opportunity to be considered, consistent with the procedures in the contract. Use the clause with its Alternate I when the contract will be available for use by multiple agencies e.

Part 16

It provides maximum incentive for the contractor to control costs and perform effectively and imposes a minimum administrative burden upon the contracting parties. Other agreements, though, may have permitted disclosures of information in certain situations.

12+ Finance Agreement Templates

Specify the place where and date on which the contract was signed by the parties.

Part 16

For the avoidance of doubt, for any Phase of the Project that contains a residential component and a commercial component, the commercial component shall not be subject to this Agreement including, without limitation, the Minimum Annual Service Charge; Any Phase of the Project that does not contain a residential component shall not be subject to this Agreement including, without limitation, the Minimum Annual Service Charge The one-story special needs residential building contemplated in Phase V of the Project is not considered a residential component and is therefore not subject to this Agreement. Also, product descriptions or descriptions of services to be performed can be defined more clearly.

Table of Contents

That the aforesaid benefits of the Redevelopment Project exceed the cost, if any, associated with granting the tax exemption provided by this Agreement. The cost-plus-incentive-fee contract is a cost-reimbursement contract that provides for the initially negotiated fee to be adjusted later by a formula based on the relationship of total allowable costs to total target costs. Costs for said arbitration shall be borne equally by the parties.

Types of Government Contracts

. Under proper circumstances, the use of these procedures can result in economies in ordering parts for equipment support by reducing administrative lead-time, inventory investment, and inventory obsolescence due to design changes.
