The Biblical Doctrine of Infant Baptism: Sacrament of the Covenant of Grace

Christian baptism can be associated with the ritual washings that various sects of Judaism observed to distinguish themselves as the remnant of Israel. They each symbolize the need for cleansing, being cut-off from the first Adam, covering in blood, and identification with the people of God.

Infant Baptism and the Covenant of Grace

Separation of Baptism from Divine Grace On the other hand, Reformed theology understands the connection between baptism and grace in ways that distinguish it from those who identify divine grace too closely with the rite.

The Biblical Doctrine of Infant Baptism: Sacrament of the Covenant of Grace

Rather, this distinction between covenant and election has a strong witness by both the Reformed confessions and some of the greatest theologians in the Reformed tradition.
