Qian Qiu Ling

She got chased out by her own House because of her magical abilities, which were viewed as abnormal by most of her family. The younger generations of the two, Shen Shaoyou and Feng Lixue, became friends by chance.

Xi'an Qianling Mausoleum, Qian Ling

The building foundation of the timber offering hall situated at the south gate of the mausoleum's inner wall has also been discovered. There are Tang dynasty funerary in the tombs of her son Crown Prince Zhanghuai, 653—84 , grandson Prince of Shao, posthumously honored Crown Prince Yide, 682—701 , and granddaughter Lady Yongtai, posthumously honored as Princess Yongtai, 684—701 in the mausoleum that are inscribed with the date of burial as 706 , allowing historians to accurately date the structures and artwork of the tombs. Like all servant in the Qian household, Yun Xi made her hair like buns on both the side of her hair.

Qian Yunxi

If you would like to see the pandas, it is better to visit the part in the morning because most of the time the two pandas are sleeping lazily. Li Xue will become the leader of the demon cult.
