### Special Education

Allowing foster children to attend a school of choice could create an environment in which schools would have new incentives to deliver services that meet these specific needs.

### Special Education Supports and Services

Raising the next generation is a shared responsibility.

### Special Education

The NCSE aims to support the professional development needs of teachers and schools in relation to the teaching of children with special needs, in as flexible a way as possible.

### Special Education Services and Supports

Any setting which does not meet the communication and related needs of a child who is deaf, and therefore does not allow for the provision of FAPE, cannot be considered the LRE for that child. To locate other afterschool or summer programs in your area, please contact your or visit.
