Francisco has escaped to India and intends not to be heard by the CPI on Wednesday. Now, in order to strike a balance between the need for providing prisoners with the opportunity to connect to the society and maintain their family links by way of getting parole and at the same time, avoid such incidents from happening, there existed a provision in the on Parole.

### Time to revisit Article 22

People are free to send in their suggestions and comment on various issues raised by the government, like net neutrality. You can click on this link and join.

**Preventive detention is not punitive: SC**

Preventive detention, the dreaded power of the State to restrain a person without

However, the digital economy is not simply about shifting business transactions from offline to online, it is about enabling economic innovations and transforming the facets of business transactions and interactions.

### **Parole in India**

It is evident that some e-governance projects achieve huge success in some parts of India, whereas they completely failed in other regions.

### **Covid**

This category of prisoners that needs release the most may not be entitled to the same as per the order despite their age and health issues. E-Kranti E-Kranti would make it obligatory for every citizen to go digital by planning to provide electronic services to people which are related to health, education, justice, farmers, financial inclusion and security.

### **One Year After His Arrest, Chandrashekhar Azad Is A Prisoner Of The Yogi Adityanath Government**

The way a society responds to crime is what shapes its future.

There have been instances of convicts resorting to committing crimes while they are released on parole. His speech criticising the CAA and NRC was used to slap a false case under Section 153A IPC allegedly spreading communal hate, and he was detained under National Security Act, after he was ordered to be released on bail. Re-socialisation and assimilation of prisoners is the of prisons.
