### How the Stock Market Works: A Simple Explanation For You and Your Kids

Just as on the stock exchange, the actual end consumers and sellers rarely meet directly.

### What is the Stock Exchange and How Does It Work?

To change or withdraw your consent choices for Investopedia.

### How the Stock Market Works: A Simple Explanation For You and Your Kids

You come up with an idea, you establish a business, you run that business so your expenses are less than your revenues, and you grow it over time, making sure you are not only being well-compensated for your time but that your capital, too, is being fairly treated by enjoying a good return in excess of what you could earn from a passive investment. Please ensure that you understand the risks involved as you may lose all your invested capital.

### What is a stock exchange, how does it work and how to start investing

SEC ensures the fair play of all participants on the exchanges.
