Holst perse la madre a otto anni e suo padre si risposò con un'altra allieva. Fu eseguito poco dopo la morte di Hardy.

Holst: This have I done for my true love & other choral works

An indication such as crescendo can be interpreted and realized in different ways by different performers.

Review: [Untitled] on JSTOR

Precisely orchestrated resonance is one of the many features Berlioz developed with pioneering imagination this topic will be elaborated upon in the chapter about. The said composition tied with Bloch's for first place. · This is a historical crescendo, among the most dramatic and famous in classical music.

Gustav Holst and a rhetoric of musical character : language and method in selected orchestral works by Richard Greene

Morì due giorni dopo l'operazione, il 25 maggio, in un ospedale di. La sua musica veniva considerata dal pubblico come inglese e patriottica e conobbe una buona diffusione, anche grazie alla contemporanea avversione per la musica tedesca imperante in quel difficile periodo.

Books on Gustav Holst

The term orchestration generally refers to the process of transferring musical elements, ideas and concepts to the orchestral medium. These experimentations baffled listeners, and composers either received support or were rejected by their audience.
