### China Is Legally Responsible for COVID

Unfortunately, the is sometimes made that these efforts result in a type of education that is not practical enough to be genuinely useful in resolving day-to-day legal problems but yet not as rigorously theoretical as a truly academic ought to be.

### Social Work: Study : Case Studies

At critical moments, officials chose to put secrecy and order ahead of openly

confronting the growing crisis to avoid public alarm and political embarrassment. Although China is using its Belt and Road Initiative BRI to fund many of these projects, there is no question that the infrastructure is being created with dual-use purposes in mind.
