## ERIC

Or in South Africa, where universities are feeling the squeeze of budget cuts as the Mandela government pursues an aggressive program of reallocating resources to implement social programs in order to retain social stability. The latest of these conferences, the 36th ISRSE, was held in Berlin, Germany from 11 to 15 May 2015. After brushing off interruptions while he is hard at work on his Hewlett Packard computer, the executive suddenly cries out in anguish.

## Antonio Scolari

Additionally, commercially available electronic solutions are cost-prohibitive in many resource-limited settings. Paris:
