The answer to the first question is, of course, obvious. You are here: COMMITMENT: Teaching Children the Lessons of a Lifetime by Jeffrey M.

Commitment to Teaching and Mentoring

Springer International Handbooks of Education, vol 21. Specific suggestions for teacher educators, teachers, and school leaders alike are provided on a variety of topics including mental health, math education, teacher education, and the relationship these topics have with self-efficacy.

A Commitment to Teaching

While instructing classes, teaching takes priority over every other obligation including research, writing, and administrative duties.

Commitment to Teaching

Committed teachers are characterized by four qualities: having a desire to be good teachers, being more fact purveyors and sources, recognizing and accepting individual worth, and meeting professional responsibilities. Presentation of the awards is made at the Fall Faculty Meeting.

Outstanding Commitment to Teaching Award

To reach the individual student, you must strive to motivate each individual, involve him or her in learning, and understand how to teach everyone, not simply aim to teach the average student.

Commitment to Teaching and Mentoring

A deep and enthusiastic sense of personal commitment to his students and to his subject of inquiry is the ultimate obligation which any teacher has to make, if he is to call himself a teacher at all. He taught anyone and everyone without discrimination; his message is universally directed to all men, regardless of intellectual qualifications or personal station in life. Baptists only support Baptist causes.
