Structure, Committees, and Meetings

It excludes any risk that this rule might be read to govern service on a federal agency, or other entities not created by state law.

Effective and Efficient Service Delivery Mechanisms and Models

Fourth, the revision calls attention to the important effect of the Hague Convention and other treaties bearing on service of documents in foreign countries and favors the use of internationally agreed means of service. This is consistent with the Court's proposal. Circumstances too spare to affiliate the defendant to the forum state sufficiently to support long-arm jurisdiction over the defendant's person are also inadequate to support seizure of the defendant's assets fortuitously found within the state.

More time may be needed, for example, when a request to waive service fails, a defendant is difficult to serve, or a marshal is to make service in an in forma pauperis action. This, except for nonsubstantive changes in phrasing, is identical to the Supreme Court's proposal. Thus, a diligent plaintiff can preserve the cause of action.

The connection to federal employment that requires service on the United States must be determined as a practical matter, considering whether the individual defendant has reasonable grounds to look to the United States for assistance and whether the United States has reasonable grounds for demanding formal notice of the action. The procedure of requesting waiver of service should also not be used if the time for service under subdivision m will expire before the date on which the waiver must be returned.
