Alaska's Mineral Industry Reports

Unpublished Master of Science Thesis, University of Leicester, Leicester. In the interests of uniformly and to avoid duplication of effort, beginning with the statistics for 1925, Statistics Canada and the provincial ministries have co-operated in collecting and processing mineral statistics.

Freeport

Credit ratings See also: Credit rating agencies, such as Standard and Poor's, assign grades to states that take into account a state's ability to pay debts and the general health of the state's economy. Geological Survey Circular 908, report, January 1, 1983; United States.
