Being able to speak French is not sufficient to fulfill this criterion.

Ontario's Long

NOSM does not have any residency requirements for applicants; we have an algorithm that we employ to calculate context scores. NOSM reserves the right to confirm the information provided in these sections by consulting the individuals you listed as verifiers. In addition, it raises awareness about First Nation, Métis, and Inuit cultures, histories, perspectives and contributions among all students.

Participants

No fee is charged for this review. Feeding Your Future wants to make it easier for employers to find, train, and retain the workers they need, and help employ Ontarians with meaningful jobs during COVID-19 and beyond.
