Review of the books Exclusive rights and State monopolies under EC law... (2001)

This section shall not apply to consent judgments or decrees entered before any testimony has been taken. In this regard, the elimination of a monopoly position through the participation of the private sector or the replacement of monopoly companies by non-profit entities should be considered. Paradoxically, the fact that the

Its influence is thus limited compared to the influence of the Commission and the Council. There is no superior individual entrepreneur or company that inherently deserves to accumulate all the rewards of the market, including a monopoly, which risks upsetting greater social harmony.

Abuse of market dominance by state monopolies in Vietnam.

After an assessment of the likely impact of the merger on competition, the Commission may approve or reject it, or it can grant an approval, subject to certain conditions and obligations Article 8. THE DUAL LEGAL NATURE OF ARTICLE 86 1 IN CONJUNCTION WITH THE TREATY RULES ADDRESSED TO MEMBER STATES II. There was also a failure in the attempt to separate business functions from ownership and management functions.

The Compatibility of the Swedish Alcohol Monopoly with EC Law

Let us not overstate the requirements--one does not need to have a fully specified mathematical theory of tying that has been published in an economic journal.
