## What is a Mobile Ad Hoc Network (MANET)?

She also may have been Auguste's mistress. Manet's portrait painted by Édouard Manet was born in Paris on 23 January 1832, in the ancestral mansion on the rue des Petits Augustins now to an affluent and well-connected family.

## Manet Paintings

He earned his medical degree at Peking University and his Master of Public Health degree at Harvard University.

## Manet

Although Manet developed a passion for the arts, his father had other plans for his future.

## Edouard Manet (1832
