## United States Marine Corps

It is reasonable to assume, not a single employee aboard MCLB Barstow arrives to work each day hoping to get injured on the job, or get exposed to hazards that may result in an occupational illness. The campaign provides increased incentives for Marines volunteering for recruiting duty and has the potential to significantly impact the future readiness of the Corps.

## Home

The exercise certified the rapid embarkation of Marines and sailors with the II MEF Maritime DSCA Task Force aboard the Norfolk-based USS Arlington, a San Antonio-class amphibious transport dock, to validate deployment requirements in preparation for future destructive weather events along the East Coast. Rather, the expectation is quite the opposite.

## United States Marine Corps

Marines and sailors with the 2nd Marine Logistics Group and Expeditionary Strike Group 2 took part in a rehearsal for the upcoming hurricane season which fulfilled Defense Support of Civil Authorities requirements at Naval Base Norfolk in Norfolk, Virginia, from July 19 to 23, 2021. . Operation Moshtarak: Female Engagement teams in Afghanistan In order to gain the intelligence needed to defeat opposing forces, Marines must earn the trust of the local communities.

## Home

. With assets positioned across the West Coast, both on land and at sea, 3rd MAF tested components of expeditionary advanced base operations in preparation for future maritime conflicts in the Indo-Pacific region.

## United States Marine Corps

Marines and Sailors with 3rd Marine Aircraft WingÂ participate in an island hopping campaign as part of advanced naval base training during Exercise Summer Fury 21. So much so, the expectation for an employer to provide a work place free of recognized hazards was codified in the Williams-Steiger Occupational Safety and Health Act of 1970. Marine Corps Recruiting CommandÂ launched a Recruit the Recruiter campaign

earlier this month.

## **Home**

. Under the OSHA Act, regulatory requirements are published as Occupational Safety and Health Administration standards in Title 29 of the Code of Federal Regulations. Marines assigned to Female Engagement Teams describe the different cultures they interact with and why as women they are in the unique position to establish a special rapport and sense of trust with communities abroad.
