Feminism In Shashi Deshpande's That Long Silence

At the age of fifteen, she went to Bombay, graduated in Economics, and moved to Bangalore, where she gained a degree in law. The genre has historical roots in the fields of medieval and early modern romance and in the tradition of the novella. Every woman has inborn maternal instinct.

The Indian Feminist Books You Need To Read This Year

The inequalities against which the feminist have raised their voice of protest-legal, economics and social restriction on the basic rights of woman can be traced throughout history The paper is an attempt to examine the feminist perspective in That Long Silence of Shashi Deshpande. Male member of the family is entitled to all sorts of comforts and excuses whereas female member has to sacrifice her life keeping silence, suppressing emotions and desires.

Feminist perspective in shashi deshpande's novels

The Indian society in its legends and scriptures and even in the actual life never gave space to woman so that she can have her honour, her identity and opportunity to play equal roles in all the spheres of life ,in the family and society and in building of the cultural edifice.

Later she undergoes the similar trauma when Aditya and Som left her.

A Feminist Reading of Shashi Deshpande's 'Small Remedies'

There should not be a gender bias or discrimination in familial and social life.

Feminism In Shashi Deshpande's That Long Silence

Furthermore, both novels describe the female submission towards the prejudices that are attributed to them and how many female characters such as the Wives and the Aunts continue to exploit them in order to maintain their high social status.

The Indian Feminist Books You Need To Read This Year

They depict how the young girls rebel to liberate themselves from the rules that stand as hurdles in their path towards progress. The mechanical and artificial love is significant where gender discrimination exists in family environment.
