Religious Syncretism, Hellenism, and Christianity

Gregory of Nyssa they are explicitly related to the tradition of Greek thought and to the Hellenic ideal of humanity. Robert Doran Temple or Taxes? Towards the end of the empire, moral ideas were particularly connected with the assimilation of sacred liquor and meats taken from the tambourine and cymbal of Attis. Was this payback for the burning of Athens by Xerxes one-hundred fifty years earlier? These same attitudes existed among believers at Corinth.

Iran After the Death of Alexander and its Resistance to Hellenism

The physical was seen as evil.

Hellenism & Judaism

This was a period when Greek culture, science, religion, and philosophy began to displace and change native cultures.

“Anarchist Religion”?

The protests of the religious resistance were directed against this class, apostates from the true faith, and the new hinders-on from the Greek world.

Hellenistic religion

Upon the Jews' return from exile in Babylon, they endeavored to protect their national identity by following the law closely. In the inscriptions of the fourth century, Attis bears the cognomen of *menotyrannus*.
