Third, does approval of contentious tactics increase the likelihood that individuals engage in protest rather than merely voting for political candidates who support their views? As expected, the Center for American Progress is filled with policy wonks and political operatives, and it takes a predictably liberal stance on the critical issues of public concern.

They are filled with latchkey kids and kids from broken homes. The Origins of the Civil Rights Movement.

## **Holy Hate: The Far Right's Radicalization of Religion**

. A central point of both resource mobilization theory and political opportunity models is that individual or collectively held grievances do not automatically lead to protest. Criswell, Carl McIntire, Billy James Hargis, and Bob Jones, to name a few, endorsed and flirted with racist ideals and rhetoric including anti-miscegenation, endorsements for legal segregation, and opposition to civil and human rights protests.
