The Two Spies Report

The Pentagon admitted that they would engage in psychological warfare and cyber attacks on 'enemy' Internet websites in an attempt to shut them down. Under this agreement the United States was obligated to terminate all legal proceedings in United States courts involving claims of United States nationals against Iran, to nullify all attachments and judgments obtained therein, and to bring about the termination of such claims through binding arbitration in an Iran-United States Claims Tribunal. The number of armed conflicts rose steadily until the end of the cold war, peaked in the early 1990s, and has declined since then.
