### College News

Research your agents before you query them: see which authors are on their list and if former clients have something to say. I received an email from Gold Touch Press offering services to republish my book. The most important thing to remember is that each problem has its own best solution.

### How to Review Articles

Am I crazy if I like a guy? Not using your personal network Your friends and family love you, and hopefully they want you to succeed.

### How to Avoid Sexist Language in Article Writing

How much would that cost! A new finds evidence of a chilling effect taking hold in our online communities. She was on top of my desk forcing me to sign a document so she can state she did the work while I was signing up for doing it all. For your information, I have never seen the partially completed book or received a refund.

### How to Protect Your Unpublished Writing

Rape is not just a throwaway topic.

### How to Avoid Legal Issues when Writing About Real People

I entered one of their ongoing contests for a free Book Review, and.

### **Writing Tips: 7 Mistakes First**

Would only print 100-150 books hard cover , with the option of ordering more, if needed.

### **The Handbook of Nonsexist Writing**

Compare this to and make sure they're not fooling you. Genuine traditional publishers have no shortage of authors and agents flooding their unboxes. Lawsuits for defamation or invasion of privacy are two of the landmines you need to avoid when writing about real people.

### **Campus Reform the #1 Source for College News**

The Essentials of Reuters sourcing. There may also be the option to give public talks about the book.
