she dreams in colour, she dreams in red

And if in a dream you saw a lady in bright red or a scarf worn on a naked body, then this vision predicts emotional burnout.

Dream Dictionary Meaning For Red

Any tickets offered for resale must be sold at face value or below. Dreams about a specific friend or family member may involve that person's favorite color or a color of clothing that he or she chooses to dress in often. Her poetry, fiction and non-fiction articles have appeared in numerous places across Canada and on the Internet.

What Does the Color Red Mean in a Dream? (Interpretation Tips)

Since colors often represent emotions, it is important to make note of your emotional state immediately after waking up from a dream. She Dreams in Red is the story of journeys--from China to Canada, to Indonesia, to Mongolia into the mysteries of the human heart and romantic relationships. Flag Abuse Flagging a post will send it to the Goodreads Customer Care team for review.

Redbubble logo

Red is the most common color chosen for a rose when it is being given as an indication of someone's love.

Redbubble logo

Alexis Kienlen is a poet, fiction writer, journalist and editor whose work has appeared in numerous publications across Canada. From 2001-2006, she was the literary editor of Ricepaper magazine, a magazine of Asian Canadian arts and culture. When the lights are red - you stop.
