### Who is more Democratic: Muslims who drink alcohol or Muslims who don't drink alcohol?

We really sympathise with CAN but facts are sacred. The President assumed sweeping additional powers that he deemed necessary for the completion of the democratization process, granting the Constituent Assembly additional two months to finish their work on the new constitution and protecting the body from any judicial interference.

### Talk: The Politics of Muslim Cultural Reform

Morsi's rulings were declared final until the constitution is approved and a new People's Assembly is elected.

### Political aspects of Islam

Who's to say there won't be a Muslim president? There are two versions of Culture Talk: the crude view that Islam as the enemy civilization, and a more subtle view of Islam as divided within itself although this division is seen as unchanging over the course of Muslim history since the middle ages.

### How We Talk About Muslims

By contrast, anyone who cares enough about Islam to obey the prohibition on alcohol consumption will have a strong enough Muslim identity in basically all cases to preclude them from voting Republican. Where did the word secular jump in there? I have some serious issues with the arguments and assumptions in this post.
