To sum it up, what happens when an Aztec Christian is suppose to translate a play from Spanish to Nahuatl with no one to double check the work? It is a tribute to the sincerity and strength of the faith of the Mexican people, that Catholicism, is still the dominant religion in this land south of the Rio Grande. It was only when Juan Diego produced the image of the Mother of God, miraculously emblazoned on his garment, that the bishop was convinced of his veracity.
