## She Bop: The Definitive History of Women in Rock, Pop & Soul by Lucy O'Brien

In addition to having a broad historical outline, the book is also arranged thematically, with chapters based around the construction and control of image, androgyny, protest music and the business side of the music industry. In 2007, O'Brien wrote an in-depth biography of, entitled.

## She Bop: The Definitive History of Women in Rock, Pop, and Soul

She also proves adept at handling both the Whitney Houston and Amy Winehouse stories with sensitivity without straying into sentimentality, which is more difficult than it sounds. In this respect, there is a moving elegy to the much under reported and under estimated talents of Laura Nyro in the songwriting chapter.

**Nonfiction Book Review: She Bop: The Definitive History of Women in Rock, Pop & Soul by Lucy O'Brien, Author Penguin Books \$14.95 (480p) ISBN 978**

The book was instrumental in the rediscovery and reappraisal of Springfield's work, and was the foundation for O'Brien's reputation as an authority on female artists and soul music. As I said earlier, She Bop was never intended to be an encyclopaedia, it was only ever intended to be a guide.

## She Bop: The definitive history of women in rock, pop and soul

She Bop acts as a gateway to a world of women and music.

## She Bop II: The Definitive History of Women in Rock, Pop and Soul by Lucy O'Brien

Yet nearly eighty years after Ma Rainey and Bessie Smith first blazed the trail, have their female successors achieved the recognition and affirmation they deserve? These include appearances on Channel 4's Top Ten. I bought this for a friend a few years ago, and ended up reading it before I sent it to her.

## **She Bop: The Definitive History of Women in Rock, Pop & Soul by Lucy O'Brien**

Though tied together through O'Brien's strong, feminist voice, She Bop is loosely organized.

### **She bop : the definitive history of women in rock, pop, and soul : O'Brien, Lucy : Free Download, Borrow, and Streaming : Internet Archive**

The part I have enjoyed most so far is the stuff about British women in music, which I didn't know much about. See details for description of any imperfections. It's a really good overview of the history of women in popular music.

### **She bop : the definitive history of women in rock, pop, and soul : O'Brien, Lucy : Free Download, Borrow, and Streaming : Internet Archive**

As the title describes, this chapter is about the women who have given so much by their involvement within the business side of music. O'Brien's definition of pop is very wide, which allows her to riff widely on rock, soul, jazz, world, reggae, rap, country and folk music.
