Speakout 2nd Edition

There are ample online locations to find an array of information, from Google News to Twitter.

SpeakOut Intermediate 2nd edition full [update 2020]

Grammatical Errors rating: 5 I did not find any significant grammatical errors in the book. One minor font issue concerns key words which are highlighted in blue—the same as hyperlinks. The ethics approach is interesting, and provides for many discussion starting points.

Speak Now

In at least one instance p. The biggest concern here is that some of the links are no longer viable.

SpeakOut 2nd Edition

Having used various public speaking textbooks, this one ranks highly among other well-revered authors and textbooks within our discipline. My personal preference would be more integrated materials - the appendices could easily be integrated into chapter sub-topics. .
