A Woman's Life in the Court of the Sun King: Letters of Liselotte von der Pfalz, Elisabeth Charlotte, Duchesse d' Orléans, 1652

But Queen Anne was not a cynic and she was sincerely pious. The birth of a child, and that child a son — females could not inherit in France under the fourteenth-century Salic Law — meant that the whole position of his royal mother was transformed. This was not the advice which was tendered to Louis XIV, nor would it have been welcome to his bride.

0801831598

The number of Louis's minor flings cannot be computed with any certainty, particularly during the period when he was indulging in what are now called one-night stands in his case one-afternoon stands. One may suppose therefore that there were kisses and perhaps a little more, but not the full consummation which would have put both of them in an alarming state of mortal sin.

Louis XIV and his women

Did you know that Louis the XIV used to be given an enema on a regular basis? It was hardly a disagreeable fate to be seduced by the young Louis XIV, but in any case the evidence is that the ladies met him more than halfway, enjoying the pleasure and also the material rewards.

A Woman's Life in the Court of the Sun King: Letters of Liselotte Von Der ...

Henriette-Anne's marriage to Monsieur, following those halcyon few weeks when she had enjoyed his passion, had settled into a series of little jealous games on the subject of their mutual admirers. That was a very hard step for him - his love was so strong, that he wanted Maria Mancini to be his wife, although he was a king. Now that is some horror stuff right there.

The Women in the Life of the Sun King

Yet, for the next fifty years, Liselotte remained in France, never far from the center of one of the most glorious courts of Europe. It was the prolonged peri.
