English & Philosophy Publications

It consists in a recognition, at once public, general, effective and genuinely expressed in institutions and customs, that the same amount of respect and consideration is due to every human being because this respect is due to the human being as such and is not a matter of degree.... Silving, Helen, In Eichmann: A Dilemma of Law and Morality, The American Journal of International Law 55, 1961. The overall creativity of Muslim scholarship is unquestionable; a huge body of scholarly knowledge was brought into existence where none had existed before.

CONFLICT BETWEEN LAW AND JUSTICE

A writer is someone who is driven internally, psychically, spiritually.

Prose

Al-Hamadhani adopted rhymed prose as its vehicle, producing a humorous and bouncy effect, endowing the writing with a special verve. Political parties are bad in her view because like nation states or the church they are primarily about self preservation and self aggrandisement in her view, unions are bad because for her they divert the attention of their members away from their true injustice - the indignity of Fordist, atomised assembly line production, distracting their membership with the simpler but ultimately degrading issue of higher wages.

Félibrige

Carbondale, IL:..... Words: 1773 Length: 5 Pages Document Type: Research Paper Paper : 63141068 This also forms a connecting point between the works, where buildings are used not only to house those who praise God, but also as functioning works of praise themselves.

The Anthology of Australian Prose Poetry by Cassandra Atherton

The implication of this is that law is the law itself, altogether separate from justice, whereby an emphasis is placed only on its formal manifestation. I was privileged to be one of the founding Directors of that Centre.
