Janson, H. W. 1913

Minimalism 1960s—1970s The Minimalist movement emerged in New York as a group of younger artists began to question the overly expressive works of Abstract Expressionist artists. We will balance our look at television shows with nuanced readings about the televisual media industry. Writing proficiency is required for a passing grade in this course.

Surveys and Undergraduate Art History at Yale

With its effectively written, balanced, and interesting narrative, this book presents art as a succession of styles--from Prehistory through the 20th century--and enlarges the readers' capacity to appreciate works of art individually. Impressionist artists used modern life as their subject matter, painting situations like dance halls and sailboat regattas rather than historical and mythological events.
