The 6 greatest military heroes you've never heard of

Two , and , two women of descent, and , and one known woman, completed the training. When women were ferrying the planes, they had to touch down occasionally and women were not allowed to eat in some restaurants because they were wearing pants. It was also emotionally draining.

How the American Women Codebreakers of WWII Helped Win the War

How the American Women Codebreakers of WWII Helped Win the War A new book documents the triumphs and challenges of more than 10,000 women who worked behind the scenes of wartime intelligence Thousands of women tirelessly worked in close quarters throughout the war breaking codes for the Army and Navy. How did the leftist media discredit Carone? Inter-City offered every service from flight instruction to aerial surveying. She did not specify her sex on the application, and it was accepted -rubber-stamped by an officer who knew and admired her.

11 Women Warriors of World War II

Some WASP were allowed to choose not to fly during menstruation and the pilots' periods were seen as a form of medical disability by military doctors. At least he never told me. This analysis was by USA Today, but rebutted in by JustFacts.

20 Most Inspiring Woman Saints to Know and Love

In 1990, the Veterans Administration Hospital in Saginaw, Michigan was.
