Exclusive Interview: Pop

So for Army Of The Dead I had this idea for these soft, haunting vocals, and I had an idea for a certain type of piano sound, which meant that, in that case, I had to make the piano sound first before I can write something because I need that inspiration of that sound to then come up with what I want to do.

Exclusive Interview: Pop

Our homie Nick just recently joined the band too and he's so cool yall will be seeing him a lot more. I love to do it. Ashley: Decoder Ring P-C: A band or artist that fans would be surprised to learn is on your playlist? Of course people love the action music and action sequences but it was interesting that in Justice League so many fans gravitated to a longer conversation and longer set pieces regarding the history of certain characters.

The Junkie XL Interview

Now, most of it is software on the computer. From back in the day listening to music, I liked concept albums.

Exclusive Interview: Pop

I always used to work on a Mac and now everything is PC, because Cubase works so much better on a PC.

Exclusive Interview: Pop

That is a great analysis for a melody. One by one, each melody grows on the beats.
