Lewis B. Smedes Quotes (Author of Forgive and Forget)

As we understand the heaviness of why we feel shame and the varieties of how we feel shame, we can also follow a spiritual plan for healing: We are indeed accepted by the grace of God, whose acceptance of us matters most. You do run the risk though of coming face to face with Grace and I would strongly suggest that you go on to read a book like 'What's so Amazing about Grace' by Yancey. This book explores three questions: What is the nature of shame? But over time, and with a 24 carat gold dose of female friendship, Grace has turned shame into a defiant sense of self.

Lewis B. Smedes

And sticking with me all the way. No matter your background, through an honest account of one woman's journey, this book will help you understand what it means to have an intimate relationship with God through faith in Jesus Christ. If you ever wondered if there is more to life than your day-to-day experience, this book is for you.

Shame and Grace: Healing the Shame We Don't Deserve

He was a professor of theology and ethics for twenty-five years at in ., So as I continue to delve into this book, I am glad to have the opportunity to attend : Adoptive and foster parents are often surprised to learn that shame is a significant issue in the lives of their children...as well as in their own lives. I would encourage anyone to read this book, though maybe going a little slower than I did, and taking some time to seriously wrestle with what he says and the practical suggestions he offers in trying to help us live more as a people who have experienced the best thing in the world, grace.

John Piippo: Shamed People Shame People

Smedes examines why and how we feel shame, and presents a profound, spiritual plan for healing. Well it turns out that once we begin to ask the right questions we discover that the Bible has a lot to say about shame.

It's powerful, bold, vulnerable, beautiful, hilarious, universal, unique. This book is not written so that we can be free of all shame. He employs a constructive, ethical, cultural, religious, contextual, and theological approach that explores important Igbo religious paradigms like Chi an Igbo religio-cultural understanding of personal destiny and Ani the feminine deity in-charge of the land and fertility to argue the case for the liberation and integration of infertile couples.
