## National Runaway Safeline

This document will serve as a tool for grantees and will include information about how to create safe and affirming spaces for transgender youth. They further acknowledge the staff at the settings for runaway and homeless youth who engaged in the study and offered insights into their work, as well as the young people who participated, and the larger RHY Impact Study collaborative research team.

## National Runaway Safeline

A fourth comment generally praised the proposed definition, but raised two issues, one concerning the need for longer-term treatment, and one concerning the confidentiality of private health information that might be provided to family members. Almost half of participants 49% identified as lesbian, gay, bisexual, queer, or otherwise non-heterosexual. Agencies would be required to cite the guidelines they are following for the staff ratios they deem to be appropriate.

## Runaway and Homeless Youth and Trafficking Prevention Act of 2020 (2020; 116th Congress H.R. 5191)

This will give FYSB flexibility to analyze data reported by grantees and set realistic benchmarks over time through existing data collection and grant reporting methods.

## McKinney

Comment: We received several comments on § 1351. We proposed to retain the existing prohibition against acquisition or renovation costs that exceed 15 percent of the grant award, subject to potential waiver. One commenter asked whether all individuals would have to receive all types of training, or whether training could be tailored to each individual's role in providing services.
