## Records of the Agency for International Development (RG 286)

Assume primary responsibility for hemispheric military operations in the Atlantic and Pacific Oceans and the Caribbean Sea, including the sea and air approaches to the Panama Canal, and seek, in our military and other relations with the states concerned, acceptance of U. Asian nations like China and India also assert themselves in security matters and seek new avenues for investment flows and development cooperation.

## Main Political Events in Africa

Since the United States cannot supply external assistance in sufficient volume to bridge the gap between aspirations and realities, and in view of the difficulty of reducing Latin American aspirations to more realistic levels, it can be expected that over the coming years there will be a degree of continued friction over the magnitude of U.

## Search other SPS documents

Africa's accelerated growth has caused urbanization, increasing migration from villages to cities, and a larger workforce, that is driving consumption by a growing middle class Games 2010; Diao, McMillan 2017. China is also becoming an increasingly important foreign direct investor for the region, especially through mergers and acquisitions. If a Latin American state should establish with the Soviet bloc close ties of such a nature as materially to prejudice our interests, be prepared to diminish or suspend governmental economic and financial cooperation with that country and to take any other political, economic or military actions deemed appropriate.

## Foreign Relations of the United States, 1958

Special Issue, Exploring the Nexus of Corporate Responsibility and Sustainable Development. Journal of Business Ethics, 93 Suppl.

## Development Centre

The objective is to help decision makers find policy solutions to stimulate growth and improve living conditions in developing and emerging economies. Analysis by the Stockholm International Peace Research Institute SIPRI indicates that between 2014 and 2018, Russia accounted for 49% of arms imports to North Africa and 28% to Sub-Saharan Africa.

### **Vestnik RUDN. International Relations**

In his interview Professor Dr. In November, France launched the military operation Bourgou 4 in Burkina Faso. Further development of Western Hemisphere regional cooperation for the maintenance of peace, regional security and economic and social advancement.

### **Main Political Events in Africa**

With rapid urbanization, propertied groups with commercial, professional and industrial interests are displacing the conservative agrarian ruling groups while the urban white-collar population, as well as labor, is becoming increasingly influential. Among them are interference in internal affairs, support for opposition forces within the neighboring country. Professor of the Political Sciences Department at MGIMO University, Director of the MGIMO Center for Euro-Atlantic Security of the Institute for International Studies, Director of the Center for Political and International Studies, Professor of the State Management Department of the Lomonosov Moscow State University, Professor of the Public Policy Department of the Research University - Higher School of Economics, President Emeritus of the Russian Political Science Association RPSA and Chairman of the RPSA International Cooperation Council.
