**Right of asylum — Summaries of the
Work of the International Law
Commission — International Law
Commission**

In reaching this outcome, the Court relied on its settled case law on establishing that extraterritorial jurisdiction is only justified in exceptional circumstances para.

EU Law Analysis: First analysis of the EU's new asylum proposals

.

Refworld

However, the Convention obliges states to ensure that applications are processed within 12 months. They should seek to solve the problem by legalising the person's situation on humanitarian grounds. This view also allowed the definition of a group of islands as a coherent unit with its own belt of territorial waters, even if the distances among those islands were longer than would ordinarily allow them to share such contiguous waters.

EU Law Analysis: First analysis of the EU's new asylum proposals

As well, women, especially those caring for children, are less mobile and less able to organise international travel in many refugee producing countries.

The Plight of Tanzanian Persons with Albinism: A Case for International Refugee and Asylum Procedure Reform

Another opinion, one held by the majority of the states taking part in this discussion, viewed all the waters in question to be territorial waters,

subject to the relevant rules governing such holdings.
