Spreadsheet modeling for business decisions (Book, 2008) [sdk.mavlink.io]

He enjoys spending his free time with his beautiful red-headed wife, Novine, and their two beautiful daughters, traveling, snow skiing, spending time with his family and old fraternity brothers, watching college football, and attempting to locate establishments that provide inexpensive food and liquid refreshment. Rather, they are presented solely for the purpose of indicating what may be required for a given class.
