Reverse Synonyms, Reverse Antonyms

That project is closer to a thesaurus in the sense that it returns synonyms for a word or short phrase query, but it also returns many broadly related words that aren't included in thesauri. A complete dictionary search Get results from both the General dictionary and the Collaborative one through one single interface! How to use and tips How to use ASL-English search Select a prime of each parameter plus a handed type and search for the ASL sign.

OneLook Reverse Dictionary and Thesaurus

Provide details and share your research! The words and are common synonyms of reverse. It acts a lot like a thesaurus except that it allows you to search with a definition, rather than a single word. I do have the data in digital format but have never made it available.
